KATY HARMER (she/her/any) is a queer and genderqueer choral conductor, singer, clinician, and educator based in Winnipeg. She is currently the Music Director at St. Andrew's River Heights United Church, Artistic Director for Margaret's Choir, and the founding Artistic Director of Winnipeg Upper Voices. In addition, Katy has recently served as interim Artistic Director for Rainbow Harmony Project, and as sessional conductor for the University of Manitoba Singers. She sings regularly with Dead of Winter and other choral projects around Winnipeg. Katy completed a Master of Music at the University of Manitoba, studying choral conducting with Dr. Elroy Friesen. A lifelong choral musician originally from Toronto, Katy believes strongly in the power of choir to bring people together in community, and brings this philosophy to all her musical ventures and collaborations.

SARAH SOMMER is a Jewish choral conductor, educator, and soprano, based in Winnipeg, MB. She holds a Bachelor of Music, a Bachelor of Education, and a Post-Baccalaureate Diploma in Vocal Performance from the University of Manitoba, where she also studied advanced choral conducting. Currently, Sarah teaches music and performing arts at Technical-Vocational High School. In addition, she is the co-founder and co-artistic director of NUOVOCE Chamber Choir, as well as the past co-artistic director of the Chai Folk Ensemble ('22-26). Sarah regularly appears as choir member and soloist within Winnipeg's local choral scene, and also sings as a cantorial soloist for the High Holy Days at Services on the River. Sarah is currently a Fellow at Zamir's Jewish Choral Conducting Institute and has recently served as guest conductor for choirs in the Winnipeg and Louis Riel School Divisions. Sarah is thrilled to share her passion and knowledge of choral singing with like-minded youth, and is honoured to be part of their musical journey at Choralfest.

MELANIE URICHUK (she/her) has loved working as a music educator since graduating from Brandon University, teaching students from Nursery to Grade 12 along the way to her current position as Choral Director at Garden Valley Collegiate. Melanie has been teaching at GVC since 2014, and her choirs have been recommended to AMAF Provincials, MusicFest Canada, and toured to Montreal, Alberta, and Chicago. Melanie has served as a clinician for Cadenza Summer Music Week, the CMCA Vocal Jazz & Choral Workshops, and regularly leads professional development sessions on music and technology. She co-founded the Prairie Soundscape Choral Organization, where she continues to serve as Artistic Director and Co-Conductor of the Adult Choir. Melanie's teaching philosophy centres on building inclusive communities, and creating accessible musical experiences.

CHORAL CLINICIANS

ROBERTA VELARDE's love of singing began with her cousins around the dining room table at the family farm and on road trips, where her dad encouraged her, her mom, and her sister to harmonize. She was actively involved in many musical events throughout the Interlake region. Roberta earned aMaster of Music from the University of Manitoba in 2025 and a Bachelor of Music/Bachelor of Education from Brandon University in 2012. Since 2014, she has built the choir family at West Kildonan Collegiate and now serves as one the Artistic Directors of Ecco Singers. She has been a guest conductor and clinician at choral events across Manitoba. When not working with choirs, Roberta loves singing at home with her husband and two young sons, whose support means so much to her.

CHORAL CLINICIANS

KELSEY SHIARO is an enthusiastic choral director and advocate of the arts as a vehicle for personal growth and being together in community. Kelsey has taught all ages of learners through her private voice and piano studio, Windsor Park United Church's Joyful Noise children's choir, Children's House Montessori School and High Frequency Children's Choir. Kelsey also taught Choir, French and Piano at Gordon Bell High School in the Winnipeg School Division for 14 years. Kelsey is the chair of the Manitoba Choral Association's Flagship Committee which oversees the Manitoba Choral Association's two largest outreach programs: Manitoba ChoralFest and MB Sings. These programs were crucial in inspiring Kelsey and setting her on her path towards choral education. Outside of teaching, Kelsey enjoys a busy life in Winnipeg with her son Owen and their dogs, making music with her friends, and staying active. Kelsey is delighted to work with the choirs attending this year's Choral Fest.

COLTON BLAKE, best known as The Choir Guy, is an award-winning choral educator, clinician, adjudicator, and speaker known for his energetic teaching style, practical rehearsal strategies, and ability to connect with singers of every age and experience level. Based in Fort Worth, Texas, his excellence in music education has been recognized at the campus, district, and professional levels. Colton is passionate about helping choirs grow in artistry, confidence, and authentic expression while equipping directors with practical tools they can immediately apply. His engaging, student-centered clinics leave singers inspired, directors encouraged, and choirs stronger long after the final note. More than improving performances, Colton is passionate about helping directors build choir programs where students belong, grow, lead, and discover a lifelong love of music.

STACEY NATTRASS BROWN is honoured to be part of this year's clinician team at Manitoba ChoralFest. She has long been inspired by the amazing singing that happens in this province and can't wait to hear all of the wonderful choirs this week. Stacey has been leading singers in Manitoba for over 27 years. She is an energetic and passionate director that has dedicated the majority of her focus to the choral program at College Garden City Collegiate, where she was hired to start building a choir program in 1999. Garden City is now one of the largest choral programs in Winnipeg with seven singing ensembles. Over the years she grew as a choral director thanks to the kindness and talent of so many mentors in the choral community and her own eagerness to learn and improve. As a teacher and choral specialist she has been a sought after clinician, having worked with the Central Manitoba and Eastman Choral Associations as well as the Manitoba Choral Association. She is looking forward to sharing her knowledge with Manitoba's choral community.
